Guidelines for ECRD 2019 Oral/Poster Competition

1. Eligibility criteria

- a. Abstract should be based on original research, and should not have been presented at any other conference.
- b. Presenters with accepted abstracts will have to register for the full conference; otherwise, their abstract will be retracted.
- c. Each presenter will be allowed to submit only one research paper, but can be a co-author on more than one abstract.
- d. Abstract must be submitted in English (or Bahasa Melayu – for paramedics only).
- e. Studies conducted in MOH facilities must submit NMRR ID with their abstract and must already obtained DG approval for presentation.
- f. Only studies involving human subjects will be considered. This includes clinical studies (observational or interventional), cross sectional surveys, record reviews.
- g. Final selection will be made by a panel appointed by the Scientific Committee.

2. Submission Guidelines

- a. All abstract must be submitted to ECRD secretariat via email ecrd.crc19@gmail.com in soft copy form
- b. Abstracts must be submitted by **4th July 2019**. Late submission or incomplete abstracts will not be accepted.
- c. Presenters will be notified of abstract acceptance by **5th September 2019**. All communication will be through email of the presenting author as indicated in the abstract submission form.

3. Abstract format

- a. The structured abstract should be in “**extended abstract**” form with **word count between 800 to 1200 words (research) and 600 to 800 words (case report)**. Please refer to the following structured abstract forms.
- b. Authors’ name must be written in full. List any institutional affiliation, state and country. Please make sure all authors contributed significantly to the research project.
- c. Abstract title must be in Title Case. Title should be brief and clearly indicate the content of the abstract.
- d. You may include **relevant** graphs, tables or illustrations in the abstract.

- e. Abbreviation must be defined by placing it in parenthesis after the full word, the first time it appears.
- f. Use numerals to represent numbers except when beginning a sentence.

4. Prizes

15 best abstracts will be shortlisted for oral presentation at the conference

- a. Best Oral Presentation Awards
 - The first prize winner will be awarded RM 500, followed by RM 300 for second place and RM 200 for third place.
 - Each winner will also receive a certificate of achievement.
- b. Best Poster Awards
 - The first prize winner will be awarded RM 300, followed by RM 200 for second place and RM 100 for third place
 - Each winner will also receive a certificate of achievement.

Judges’ decisions are final. No correspondence would be entertained.

5. Poster Display and Presentation

- a. Presentation in poster session will be numbered and listed in the program.
- b. Poster must be in the following format: 3 feet width x 4 feet height (90cm width x 119cm height)
- c. Participants are responsible for printing of posters and for the materials to put up the posters on the designated panel at the exhibition area (removable double-sided tape).
- d. Posters are to be put up at the designated poster panels near the auditorium hall starting at 3pm on 8th October and latest by 9am on 9th October 2019.
- e. Posters must be displayed for a stipulated period and dismantled by 5 pm on 10th October 2019.
- f. The organizer will not be responsible for posters which have not been dismantled by 5 pm.

RESEARCH ABSTRACT: (refer next page for Case Reports)

- Please use the format below for your research abstract.
- Please submit an extended abstract; with 800 to 1200 word count including all sections (introduction, methodology, results, discussion and conclusion)
- You may include relevant graphs, tables or illustrations in the abstract

Abstract Title:

- The title should reflect the content
- Abstract title must be in Title Case, e.g. “Cardiovascular Problems”.

Authors & Affiliations:

- Please enter the names in FULL
- Surname should be UNDERLINED.
- Number the authors and indicate their affiliations after the authors' name.
- This is an example for an abstract with authors from different hospitals.
 1. Fatimah Hassan, Kuala Lumpur Hospital
 2. Phua Chu Kang, Sarawak General Hospital
 3. Thilagawati Kumar, Ampang Hospital

Introduction:

- State the background of the study.
- State the study objectives clearly

Methodology:

- Report your study design, data sources and data analyses in a transparent manner

Results:

- Report your results in a transparent and comprehensible manner
- Please answer all your objectives

Discussion/Conclusion

- Conclusions must be consistent with the results and address the objective / research question

Word Counts:

- State your total word counts, including introduction, methodology, results, discussion and conclusion.

Please send your abstract to ecrd.crc19@gmail.com before 4th July 2019 at 5.00pm.

Failure to follow the given format may disqualify your submission.

CASE REPORT :

- Please use the format below for your case report.
- You must have signed informed consent from patients (or relatives/guardians) before submitting Case Reports. Please anonymise the patient's details as much as possible, eg, specific ages, occupations.
- Please submit an extended abstract; with 600 to 800 word count including all sections (background, case presentation, relevant investigation, differentials, treatment/management, outcome, discussion and conclusion)
- You may include relevant graphs, tables or illustrations in the abstract

Case Title:

- The title should reflect the content
- Abstract title must be in Title Case, e.g. "Cardiovascular Problems".

Authors & Affiliations:

- Please enter the names in FULL
- Surname should be UNDERLINED.
- Number the authors and indicate their affiliations after the authors' name.
- This is an example for an abstract with authors from different hospitals.
 1. Fatimah Hassan, Kuala Lumpur Hospital
 2. Phua Chu Kang, Sarawak General Hospital
 3. Thilagawati Kumar, Ampang Hospital

Background:

- Briefly state the background and why do you think this case is important

Case presentation:

- Presenting features, medical/social/family history

Investigation (if relevant)

Differential Diagnoses (if relevant)

Treatment/Management (if relevant)

Outcome & Follow up

Discussion/Conclusion

- include very brief review of similar published cases (how many similar cases have been published?)
- include learning points/ take home messages

Word Counts:

- State your total word counts, including background, case presentation, investigation, differential diagnoses, treatment/management, outcome & follow up, discussion/conclusion.

Please send your abstract to ecrd.crc19@gmail.com before 4th July 2019 at 5.00pm.

Failure to follow the given format may disqualify your submission.
